Onstage OC: Awful Purdies

Date: June 8, 7:00 pm
Location: Windmill Park
Additional info: orangecityarts.net
Email: ocArts@orangecityiowa.com

first in the nation iowa caucus exhibit

The exhibit “First in the Nation: Shaping Presidential Politics Since 1972” is on loan to the Orange City Public Library from the State Historical Museum of Iowa from May 11 through June 2. It features images, film clips, newspaper articles, and nearly 200 artifacts from 1972 to 2012. “First in the Nation” explores candidates’ journeys through the Iowa caucus cycle. From early visits to the state to declaring a presidential bid, follow the path that candidates take as they organize their Iowa campaigns, meet with the people of Iowa, and participate in the excitement of caucus day. While Iowa does not pick the president, it does serve the important role of narrowing the field of candidates and it takes pride in hosting the first in the nation presidential contest.

**drones subject to
FAA regulations**

Drones (unmanned aircraft) are becoming more and more popular. Many people have purchased or will purchase a drone. When you fly your drone, please be aware that there are FAA regulations that do regulate the flight of drones.

The Federal Aviation Administration (FAA) regulates all aircraft which includes drones. The FAA has implemented some operating limitations on the use of these known as regulations. These regulations took effect in December, 2015. The main regulations that affect our area are as follows:

- Drones weighing more than .55 pounds must be registered with the FAA (\$5 fee). A fine of \$27,500 could be imposed.
- You must be 13 years old or have an adult present while operating a drone outside.
- If you want to operate an unmanned aircraft (drone) within 5 miles of an airport, you must contact your local airport. Contact Dan Vander Weide (712)395-1633. Dan will discuss the impact on other aircraft and hospital helicopter operations and also point out the safest places to fly.
- Flying height is limited to 400 feet.
- You must keep the drone in sight at all times.
- If flying isn’t for recreation but for compensation, even indirectly, you must request a permit from the FAA and hold a commercial pilots license.
- You may not mount any device that shoots a projectile.
- You must not interfere with and must give way to manned aircraft.
- Don’t be careless or reckless with your unmanned aircraft or you could be fined from the Federal Government.
- Fines can be as much as \$250,000 and/or imprisonment for up to 3 years.

Onstage OC: Community Band
Date: June 15, 7:00 pm

reserve your favorite park

The arrival of summer means picnics, reunions, and outdoor birthday parties. After being inside all winter, we can all agree outdoors is the place to be. For a very inexpensive “get away”, Orange City has four shelters which are available to rent for your group activities. All of these city-owned facilities have a refrigerator, stove, sink and counters.

- Vets Park Shelter (\$35/day)
- Swimming Pool Shelter (\$35/day)
- Vets Park Scout House (\$55/day)
- Windmill Park Shelter (\$35/day)

Contact the City Offices at (712) 707-4885 to reserve a shelter and make key arrangements. Outdoor picnic areas can be used without a fee or reservation if the shelter house is not reserved.

on your mark, get set, read

The 2016 Summer Reading Program kicks off on June 6 with a performance by the Hanson Family at 6:00 pm at City Hall, followed by our annual Ice Cream Social in the library parking lot. The Hanson Family will display their amazing unicycling and juggling talents. After the show, learn how to juggle from Mark Hanson, a two-time Guinness World Record holder for speed juggling. Pick up everything you need to participate in the library’s Summer Reading Program starting on June 6. Find all of our great Summer Reading events on our website: orangecityiowa.com/go/library.
