home repair financial assistance available

There is financial assistance available for Sioux County residents to assist homeowners with upgrades, repairs, and improvements to houses. The program is the Northwest Iowa Regional Housing Trust Fund. The mission of the Housing Trust Fund is to promote the creation and preservation of affordable housing for low to moderate income persons residing in Sioux County. Financial assistance is provided for low to moderate income homeowners to make necessary home repairs. The assistance will be in the form of both forgivable grants/loans and/or low interest loans (2%) depending on the homeowner's income. The funding can be used for a variety of repairs such as basic structural repairs such as roofs, siding, or windows; building systems such as electrical upgrades, furnace replacements, or plumbing repairs; emergency repairs such as septic tank improvements, hot water heater replacements, or lead based paint reduction; weatherization such as insulation; or handicap improvements such as exterior ramps or bathroom facilities.

For additional information, brochures are available at the City Office. If you wish to apply for assistance, contact Sherry Zinn at Northwest Iowa Planning and Development at (712)-262-7665 ext. 139 or email Sherry at sherry.zinn@nwipdc.org

thanks for helping us stay green

The Cities of Orange City and Alton, along with NW IA Area Solid Waste Agency, want to thank their citizens for helping us all preserve our landfill. Your help came from the collection of over 14.6 tons of Household Hazardous Materials (HHM) over the last 6 years alone. This means that not only have we kept these materials out of our landfill, but these materials have not been put down our drains and contaminated our sanitary sewer system. You have saved the cities many dollars in landfill costs and/or sanitary sewer costs. Here are the pounds collected during HHM pickups here in Orange City:

2011 - 5,180 Pounds	2014 - 5,470 Pounds
2012 - 3,160 Pounds	2015 - 3,740 Pounds
2013 - 7,580 Pounds	2016 - 4,200 Pounds

So again, we want to thank you, our citizens, for your help! We look forward to serving you with another HHM pickup in 2017.

artrageous - a unique visual & musical journey

A couple of years ago, Megan Wassom heard about the ArtRageous show in Emmetsburg. It's a multimedia show with captivating vocals and dance where artists create paintings on stage. Blue Man group - that's what Megan compares ArtRageous to. She knew her little sister would love it!
But they missed the show. "We were so bummed." Now Megan has moved from Spencer to Mason City, but when she heard about ArtRageous coming to Orange City (Northwestern College Chapel on Thurs., Oct. 27, at 7 pm), she decided to take the day off work to come and bring her 12-year-old sister! She called the Orange City Arts office. "This is perfect!" she said. "How can I buy tickets?" Tickets to ArtRageous are online at orangecityarts.net. Or call 712 707 4885 or email ocArts@orangecityiowa.com. Sponsored by Orange City Arts & Northwestern College.

On November 3, at 7:00 pm, the public is invited to attend "A Conversation with William Kent Krueger", which will be held at Northwestern College's Christ Chapel. A separate "Appetizers with the Author" event will be held at 5:30 pm in the Vogel Community Room of Northwestern College's DeWitt Library. Krueger's visit is the highlight of the first year of One Book, One Sioux County, a collaboration among the 8 public and 3 academic libraries in Sioux County. One Book, One Sioux County is an effort at community building through community conversations. Each year a book will be selected by the libraries for discussion and related events in their communities, as well as a county wide event. Krueger lives in Minnesota and is the author of the Cork O'Connor mystery series.
This event is sponsored by the Sioux County Board of Supervisors.
