begin saving money on your energy bills now

- Set your thermostat on 68-70 degrees during the winter and 78-80 degrees during the summer.
- Check and change your furnace filter every one to three months.
- Keep obstructions away from the hot and cold air registers.
- Turn the temperature on your water heater to the lowest setting that still gives you hot water.
- Use the cold water cycle on the clothes washer when possible.
- Use cold water for cooking. Heating water on the stove consumes less energy than using hot water from your water heater.
- Install a water saving, low flow showerhead.
- Turn off lights when they are not in use. If you have children, teach them to turn off lights and conserve energy.
- Clean the dust off the condenser coils at the back or bottom of the refrigerator once a year. Dirty coils make the refrigerator work harder and use more electricity.

thanks for helping us stay green

The Cities of Orange City and Alton, along with NW IA Area Solid Waste Agency, want to thank their citizens for helping us all preserve our landfill. Your help came from the collection of over 18.6 tons of Household Hazardous Materials (HHM) over the last 8 years alone. This means that not only have we kept these materials out of our landfill, but these materials have not been put down our drains and contaminated our sanitary sewer system. You have saved the cities many dollars in landfill costs and/or sanitary sewer costs. Here are the pounds collected during HHM pickups here in Orange City:

2011 - 5,180 Pounds	2015 - 3,740 Pounds
2012 - 3,160 Pounds	2016 - 4,200 Pounds
2013 - 7,580 Pounds	2017 - 3,660 Pounds
2014 - 5,470 Pounds	2018 - 4,320 Pounds

So again, we want to thank you, our citizens, for your help! We look forward to serving you with another HHM pickup in 2019.

heading south for the winter

We know you don't want to miss out on any of your important mail while you are vacationing in warmer climates. To receive your monthly utility bill directly, please contact the OCMU office at 707-4885 with your forwarding address. Our staff will make a temporary change to your billing address for the months you are away from Orange City.

help sinterklaas find his chair

Sinterklaas will visit the children on December 1 at the Town Hall, but his chair is missing. Have you seen it? It is an old church pulpit chair with wooden arms and legs and a burgundy velvet seat.

If you have any idea where it went, please contact Kathy with the Dutch Heritage Boosters at 712.737.7799

we want to light up your day

The City of Orange City wants to thank its electric customers with a coupon good for two LED bulbs. Compared to incandescent bulbs, ENERGY STAR® LEDs use up to 90 percent less energy and save up to \$80 in electricity over the life of the bulb.

Bring this coupon in to the Orange City office from November 1st through December 28th to receive two free LED bulbs.

Orange City Office hrs: 7 am - 4 pm
