Schedule of Proposed Work:

No work shall commence prior to May 20, 2024

Project shall have a late start date of July 1, 2024

All work shall be substantially completed within 55 working days once commenced

Each bid must be accompanied in a separate envelope by a bid bond, a cashier's check or certified check drawn on a state-chartered or federally chartered bank, or a certified share draft drawn on a state-chartered or federally chartered credit union in an amount of ten per cent (10%) of the total value of the Proposal, and made payable to the Owner as a security that the bidder will enter into a contract for the Work within fifteen (15) days after the award of the contract to such bidder.

The successful bidder will be required to furnish performance and payment bonds, each in an amount equal to one hundred percent (100%) of the contract price, as security for the faithful performance and payment of all of Contractor's obligations under the Contract Documents. These bonds shall remain in effect until one year after the date when final payment becomes due.

If the successful bidder fails to enter into a contract with the City of Orange City for the Improvements or furnish bonds as required, then the certified check, cashier's check, or certified share draft deposited by the Contractor shall be cashed, or the bid bond declared forfeited, and proceeds retained by the City of Orange City as agreed liquidated damages.

Progress payments will be made to the Contractor in an amount of 95% of the completed contract value, upon acceptance of the improvements by Owner. The balance of the amount due to the successful bidder will be paid not earlier than 31 days from the final acceptance of the improvements by Owner, subject to the conditions and in accordance with the provisions of the Code of Iowa.

Plans and specifications governing the proposed improvements have been prepared by Beck Engineering Inc., 3301 Zenith Avenue, Spirit Lake, Iowa 51360. The plans and specifications, prior proceedings of the City of Orange City City Council referring to and defining the improvements and the proposed contracts are hereby made a part of this notice by reference. Copies of the plans and specifications may be obtained from Beck Engineering Inc.

Owner reserves the right to reject any or all proposals and to waive informalities. Published upon order of the City Council, City of Orange City, Iowa.
