Property owner: _____ Date: _____

Site Address: _____

Home Phone: _____ Cell Phone: _____

Email: _____

Estimated Sidewalk Replacement or Mud Jacking:

LENGTH _____ (X) WIDTH(minimum 48") _____ = _____ SQUARE FOOT

Truncated Mat and Curb cutting needed: YES _____ NO _____ (City's responsibility)

Must attach a copy of the estimate for application to be valid

Photos of sidewalk to be replaced are recommended and speed up the approval time.

Reimbursement amount up to \$ 3.75 per square foot (4-inch thick) plus curb cutting.

Reimbursement amount \$ _____ (max reimbursement \$1,000.00)

The application process requires completion of this application form along with an estimate. A pre-construction inspection will be completed and pre-approved and agreement will be issued within 15 business days. The submittal of an executed agreement is required for reimbursement. Upon completion of work, the property owner must provide a detailed, paid in full, invoice to the City Hall. The City will perform a post construction evaluation to ensure all program requirements have been met. Upon approval, reimbursement payments will be payable directly to the property owner. The City of Orange City will not pay contractors or suppliers directly.
